

How to get here

- **Head to Downtown Sudbury**, look for **Paris Street**. This is a main street and should not be too difficult to find. Be aware that as you head north Paris Street turns into Notre Dame
- Look for a bridge crossing railway tracks.
- If you are coming from the south end of town you will cross the bridge. At the bottom of the bridge turn **Right** on Van Horne st.
- Coming from downtown before going up the bridge turn **Left** on Van Horne st
- If you are going **Up Hill on Van Horne** st you are doing fine.
- The first Four Way Stop will be Van Horne st and Howey Dr.
- Continue straight on Van Horne st this will wind around and come to a cross street called Morris st. Turn **Left** on **Morris st**. Drive up and down a little hill. At the bottom of the hill turn **Left** on **Jeanne D'arc Ave**.
- We are now the fourth house on the right side. Look for the Cedar trellis and stairs in the front. White siding and red brick.

If you have any problems please call and we will help in anyway we can.
